**To:** Read, John [John.Read@ATR.USDOJ.gov]  
**Subject:** Please stop Amazon

Dear Mr. Read:

Please do not assist Amazon in destroying bookstores through their aggressive and destructive tactics—particularly using e-books to eliminate any and all competition. Amazon has already destroyed too much, and a healthy, competitive book market is vital to our culture.

I beg you, please come down on the side of consumers and competition.

Sincerely,

Axel Dahlberg
