**Subject:** YOU have FAILED to protect us yet again

To Whom It May Concern:

By allowing the Live Nation/Ticketmaster merger to go ahead, you have failed to protect the American consumer. The very people with whom you are in charge of the task of protecting from large corporations. It is a very sad day for concert goers and consumers. Once again corporations have succeeded in blinding politicians with money and false hope for consumers. I am very saddened that this merger has occurred and hope for the day when the American consumer will once again be protected by the very government agencies that were set up to protect them.

Sincerely,

Kenneth de Anda
