US Department of Justice

Dear US Department of Justice:

Thank you for the opportunity to submit comments in advance of the Department of Justice's workshops on "Agriculture and Antitrust Enforcement Issues in Our 21st Century Economy."

As a seed grower, advocate, and an educator of seed grower I urge you to stop the corporate bullying by corporations like Monsanto.

I also urge you to please include in your investigation a consideration of the importance keeping seeds, the foundation of human life, in the public domain where they truly belong.

Sincerely,

Joshua Cravens
